S i r :

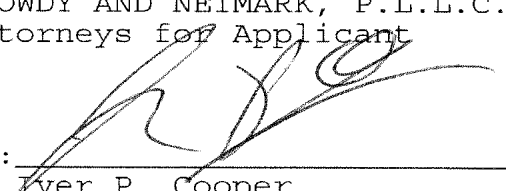

In response to the restriction mailed January 4, 2008,
Applicants elect group I with traverse.

The traversal is on the ground that generic claims are
allowable, and hence rejoinder is proper under PCT practice as
well as MPEP 821.04.

Claim 8 (group II) will be amended, after first action on
the merits, to depend from claim 1. Claim 9 (group III) is
already so dependent.

Respectfully submitted,
